- Packaging:** All bladed weapons, including knives, axes, swords, katanas, and any other item deemed a weapon or a bladed object, must from the time of purchase be kept in its original packaging by the purchaser. Any purchaser who removes the weapon from its original packaging, does so at the risk of having the item confiscated and/or being removed from the event. Items may be removed from their packaging by the vendor for the purpose of displaying or showing the item to a potential purchaser. If an item or weapon is sold to a potential purchaser or attendee, the item or weapon must immediately be placed back into its original packaging and sealed.
- Selling to Minors:** At no time is a vendor allowed to sell any item, prop, or weapon that is classified in this policy to any person(s) who have not reached the age of majority within the Province of British Columbia. Any vendor being found to have sold a restricted item to a minor (Person under 18 years of age) risks being removed from the event with no refund, and being disallowed from exhibiting at future events of the BCNE and PGAHA.
- Attendee/Purchaser Handling:** At no time can any weapon be lifted more than 6 inches from the table top by a prospective purchaser or attendee. The item must remain horizontal to the table at all times. There cannot, under any circumstances, be any kind of jabbing, swinging, fighting, testing for weight, or horseplay of any kind with the weapons being handled by a prospective purchaser or attendee. Vendors who wish to allow potential purchasers the ability to heft, or test weapons for weight must, at their own cost maintain an enclosed area in the middle of their booth that will be a minimum of 5 feet away from any other customer, or attendee of the event. The area must be fully enclosed so as to prevent any other person in the area to visually see what is happening inside. The vendor will be solely responsible to ensure that the purchaser tests the weapon in a safe manner, and that all policies of the BCNE/PGAHA are observed and followed at all times

Failure to abide by these weapons policies may result in expulsion from the BCNE Renaissance Faire as well as being disallowed from exhibiting at all future BCNE/PGAHA events.
